WHEN MUST THE BUSINESS ENTITY BE LICENSED

If an application is for a business association, the applicant must be an agent of the association to be held personally responsible for the conduct of the licensed outfitter's operations, in addition to the association, and the applicant must be actively and regularly employed in and responsible for the management, supervision, and operation of the outfitting business. The department may only issue an outfitter license to a business applicant if the applicant is qualified to conduct the business of outfitting.

A corporation or association may qualify for an outfitter license if a majority of stock is owned by licensed outfitters in good standing or landowners who own agricultural land used for the outfitting business, or if a limited liability company, the majority membership interest is owned by licensed outfitters in good standing or by landowners who own agricultural land used for the outfitting business. **If a business entity owns, is a leaseholder in land, or provides compensation for the use of land, and directly or indirectly receives remuneration from hunting on that land, the business entity must be licensed under this title unless exempt under subsection 4 of section 20.1-03-36.1. A business entity may not conduct business operations through a subsidiary, contractor, or an agent that would permit the business entity to avoid this chapter.** This section does not authorize any act or transaction prohibited by any other law of this state.
