

2008 NORTH DAKOTA FISHING WATERS

The following are public fishing waters in North Dakota listed by county. The numbers in parenthesis that follow each fishery is simply a code used by biologists to help identify those waters managed by the Game and Fish Department. The codes are also found on the map to help readers locate the waters in which they are interested.

Waters open to darkhouse spearfishing are not noted. For a complete list, see the Department's website at gf.nd.gov, or the 2008-10 North Dakota Fishing Guide. Most North Dakota public fishing waters have boat ramps. If a boat ramp is lacking, it is listed as "no ramp." Check signs at each area for further restrictions.
