***LICENSE DEFINITIONS**

Retail Bait Vendor's License (\$15) is an annual license to sell legal live bait (excluding white sucker) at retail only at one specified selling location. A licensee may not import bait into the state without first obtaining a permit from the director (issued monthly; free of charge).

Retail Bait Vendor's License with white sucker (\$75) is an annual license to sell legal live bait, to include white sucker, at retail only at one specified selling location. A licensee may not import bait into the state without first obtaining a permit from the director (issued monthly; free of charge).

Resident Wholesale Bait Vendor's License (\$50) is an annual license to sell and/or trap legal live bait at wholesale. A licensee may trap North Dakota waters with Department approval. This license includes ten tags to mark bait-trapping equipment. A tag must be affixed to each trap used by the licensee. Upon request (by application), the department shall issue additional tags to a licensee at a cost of five dollars per tag. A licensee may not import or export bait without first obtaining a permit from the director (issued monthly; free of charge).

Non-Resident Class A Wholesale Bait Vendors License (\$500) is an annual license to sell and/or trap legal live bait at wholesale. The license includes ten tags to mark bait-trapping equipment. A tag must be affixed to each trap used by the licensee. Upon request (by application), the department shall issue additional tags to a licensee at a cost of five dollars per tag. The annual Class A license also allows the licensee to trap in North Dakota waters upon Department approval. The Class A license allows the import and export of approved bait, with a permit from the director (issued monthly; free of charge). *A non-resident may hold a Class A license if the Non-Resident's state of residence provides the same privilege for residents of North Dakota.*

Non-Resident Class B Wholesale Bait Vendors License (\$250) is an annual license to sell legal live bait at wholesale. The Class B license allows a nonresident to transport bait with appropriate import or export permits (issued monthly; free of charge). A non-resident holding an annual Class B license to sell minnows or other live bait at wholesale may not trap bait.

**In compliance with the Federal Privacy Act of 1974, the disclosure of the individual's social security number on this form is mandatory pursuant to North Dakota Century Code 43-50-02. The individual's social security number is used for identification purposes and the national database to determine eligibility for licensure and detect violations of law or regulations. Penalty for the applicant not including the Social Security Number on their application will cause the application to not be processed.*

APPLICATION (CONTINUED) FOR WHOLESALE TRAPPERS

ASSISTANTS: A licensed wholesale bait vendor may employ the assistance of up to six other persons to capture or sell and transport live bait. No individual who has had a department-issued license revoked or suspended within three years may act as an agent or assistant. Assistant information must be provided below for department approval.
