Expiration Date:

NOTE: This permit allows the permittee to drive, or to be driven, on private land for the purpose of hunting wildlife, except that neither any other passenger within the vehicle nor the driver, if someone other than the permittee, may be a hunter, unless such other person is also a permittee. Provided, however, that the land is privately owned, and if the permittee is not going to drive or be driven along an established road or trail, the permittee must first obtain the consent of the owner or tenant to hunt on the land.

ELIGIBILITY REQUIREMENTS (39-01-15 NDCC) Mobility impaired, as used in this section, includes any person who has lost the use of one or both legs; requires personal assistance or the use of crutches, a wheelchair, or a walker to walk 200 feet (60.96 meters) without rest; is restricted by cardiac, pulmonary, or vascular disease from walking 200 feet (60.96 meters) without rest; has a forced expiratory volume of less than one liter for one second or an arterial oxygen tension of less than 60 millimeters of mercury on room air while at rest and is classified III or IV by standards for cardiac disease set by the American Heart Association; or has an orthopedic, neurologic, or other medical condition that makes it impossible for the person to walk 200 feet (60.96 meters) without assistance or rest.
