Applied Ecological Services	Matthew Lasch	<a href="mailto:matt.lasch@appliedeco.com">matt.lasch@appliedeco.com</a>	952-447-1919	21938 Mushtown Rd	Prior Lake , MN	<a href="http://www.appliedeco.com">www.appliedeco.com</a>	Native and/or introduced grass planting, Prescribed burning, Weed spraying, Weed clipping , Rotary mowing, Tree and shrub planting, Stream and shoreline stabilization, Wetland restoration.	45-65 HP tractors, No till seed drill (native seeding only), Broadcast seeder (native seeding only), 7' flail mower, John Deer Gator.	Specialists in native ecosystem restoration only. Although we are willing to travel, it will be site/project specific and will depend on size, scope of work, and timing. We would be more likely to install and manage a 1-5 year project rather than one individual task (i.e., full prairie/wetland restoration versus mowing only).
