Applicants are required to include documentation showing their award or qualification for the award with their application. Applications received after the close of the application period will be issued based on licenses available.

Youth Deer Season (Residents Only) – Residents ages 11, 12, and 13 are eligible for a statewide antlerless white-tailed deer license. Individuals age 14 and 15 who have either not previously applied for a regular Deer Gun license or who have applied but have never received a regular Deer Gun license are eligible to receive one deer license valid for the Youth Deer season, this includes youth who are age 13 providing they will be age 14 during the same year as the respective big game hunting season as well as those youth who apply at age 15 but will be turning 16 after they have applied for their license.

In addition, each youth must be accompanied (must be able to have unaided verbal contact) by at least one unarmed parent, guardian, or adult authorized by their parent or guardian during the Youth Deer season. All non-licensees are prohibited from carrying a firearm or bow while accompanying a Youth Deer licensee hunting in the field during the Youth Deer season.
